

Great Grating Solutions

DuraTech™ grating is designed for new pool construction and pool renovations. We offer the largest and most durable selection of pool grating in the industry. DuraTech is a 1" tall PVC grating product that comes in T-Bar, I-Bar, Interlocking and Polymer styles. Our grating is designed to accommodate any pool gutter or trench width and can be installed either perpendicular or parallel, and it's curvable too. DuraTech Grating is certified slip-resistant in accordance with ASTM test standards. DuraTech can be used independently, or it can be combined with a RenoSys gutter or liner system. DuraTech is also perfect for pool bulkheads, deck drains, and anywhere durable grating is required. We also offer several Granite options as well.

- Strongest, Most Durable Grating in the Industry
- Our PVC Grating is Manufactured in the USA - NOT Offshore
- Colorfast UV-Resistant Outdoor-Grade PVC
- Certified Slip-Resistant
- Quality Finish Is Beyond Compare
